OUR GOALS

Our goal is to provide a membership plan to help patients achieve optimal dental health through provision of many preventive services at no charge and significant discounts on other services. Under this plan there are: immediate benefits, no claim forms, no yearly maximums, no waiting periods, no treatment restrictions, no predeterminations, no age limitations, and no reduced coverage or "downcoding."

**Initial memberships start the day you pay the membership fee and end the one day prior of the following year. Renewals will commence on the same day of the following year.*
